2022 DOG LICENSE INFORMATION

Rabies Vaccinations & Dog Licenses **ARE REQUIRED** Per Wisconsin Statutes

Dear Town of Emerald Resident:

WI Statutes 174.042(4): If the owner of a dog negligently or otherwise permits the dog to run at large off premises or be untagged, the owner shall forfeit no less than $25 nor more than $100 for the first offense and not less than $50 nor more than $200 for subsequent offenses. WI Statutes 95.21(2) requires that all dogs be vaccinated for rabies by a veterinarian at no later than 5 months of age and revaccinated within one year after initial vaccination and every 3 years thereafter.

It is now time to license your dog(s). This needs to be done ***EVERY*** year. The dog tag application form needs to be returned on or before January 31st. When filling out the application, do not write the veterinarian in and then ask me to call them. I will need documentation that states that the rabies vaccinations have been administered on the dog(s) you own. Any dog that has died, was sold, or given away must be reported to me also, so I can make record of dogs that no longer need a license. ***Landlords*** **-** It is **YOUR** responsibility to notify your tenants of this requirement. They too, need to license their dog(s).
